10. The Creighton University- Advanced Medical Transport of Central Illinois Paramedic Consortium program has been issued a Letter of Review by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). This letter is NOT a CAAHEP accreditation status, it is a status signifying that a program seeking initial accreditation has demonstrated sufficient compliance with the accreditation Standards through the Letter of Review Self Study Report (LSSR) and other documentation. Letter of Review is recognized by the National Registry of Emergency Medical Technicians (NREMT) for eligibility to take the NREMT's Paramedic credentialing examination(s). However, it is NOT a guarantee of eventual accreditation.

To contact CoAEMSP:  
8301 Lakeview Parkway Suite 111-312  
Rowlett, TX 75088  
214-703-8445  
FAX 214-703-8992  
[www.coaemsp.org](http://www.coaemsp.org)

**\*\*CoAEMSP completed their site visit of The Creighton University- Advanced Medical Transport of Central Illinois Paramedic Consortium program in February of this year. The program is now waiting on the final status to be released, which could take several months.\*\***

## Paramedic Program Technology Requirements

**All students are required to have access to and bring to class every day an electronic device (laptop) that meets the following requirements:**

### System Requirements

To work successfully with Navigate 2 your computer/mobile device should match one of the supported browser and operating system configurations. Navigate 2 may run on newer (or even slightly older) versions of these browsers, but a version is not considered fully supported until it is specified with an "X" in the matrix below.

Operating System/Platform*	Safari 7.0	Safari 8.0	Firefox 36	Chrome 41	IE11	IE10
MAC 10.7	X	X	X	X		
MAC 10.9	X	X	X	X		
Windows 7			X	X	X	X
Windows 8.1			X	X	X	X
iPad 2 with IOS 8+		X				
iPad 3/Air with IOS 8+		X				
iPad Mini with IOS 8+		X				
iPhone with IOS* 8+		X				
Android tablet with OS 4.3**				X		
Android phone with OS 4.1*				X		
Windows 8 tablet					X	X

"+" Means minimum version, tested to latest current version widely available.

\* Applications currently operate correctly, but in an attenuated manner within small screen sizes. Additionally, the Navigate eReader is not compatible with mobile devices with screen sizes smaller than seven inches. Users on smaller screens cannot necessarily access all functionality. Issue will be addressed in future release.

\*\* Excludes Kindle and Nook platforms. Flash player used in offline ebook reader is not supported beyond Android 4.1. Issue will be addressed in future release.

**Students will utilize their device daily for access to the ebook, homework assignments, quizzes, tests, and skills lab documentation. Students will also use their electronic device to document all clinical and field experiences.**

**Students should ensure their electronic device is equipped with Microsoft Office or includes access to Microsoft Online- including Word and Power Point.**

**Should a student not have access to an electronic device, assistance is available through the program. Please contact Bret Ramp for additional information.**
