		WEEK 9		
11/17/25	Richardson	NREMT Prep		

Total Didactic Hours	206 hours
Total Clinical Hours	68 hours
Total Course Hours	262 hours

Once students complete the didactic portion of the program, they will complete their field internship. Students must complete a minimum of 5 twelve-hour clinical shifts on an AMT 911 response ambulance, and complete 1 eight-hour shift in the emergency department. Once they have completed the minimum clinical requirements, they will be able to take their NR certification exam. They will "graduate" the program once they receive their state of Illinois EMT license.
